

We are proud to announce that the name of our Carlisle, Pennsylvania, subsidiary, Cumberland Geoscience Consultants (CGC), will now be known as Duffield Associates, Inc. CGC, which has served the Central Pennsylvania region since 1990, was acquired by Duffield Associates in 2007 and has since grown to include the full range of Duffield Associates' services including:

- Geotechnical Engineering
- Solid Waste Landfill Consulting
- Natural and Water Resources
- Civil Engineering
- Environmental Services
- Coastal/Waterfront Engineering
- Construction Review Services
- Permitting

The technical staff and commitment to client service, that have been our hallmark, will remain unchanged. As part of this name change, e-mail addresses for this office will change from from [name]@cumberlandgeo.com to [name]@duffnet.com to reflect and strengthen Duffield Associates' name brand. The CGC e-mail addresses will remain operational.

If we can be of service to you please call us at 877-732-9633.
